

## *Mission Statement*

*The Spanish Speaking Elderly Council-RAICES shall respond to the unmet needs of Hispanic, Black, and low income families and shall seek to improve their quality of life through advocacy and the direct provision of targeted services with work across the generations and a particular emphasis on the needs of older adults.*

In keeping with RAICES' mission, our goal is to provide culturally competent treatment designed to reduce symptoms, provide on-going support, reduce hospitalizations, improve and maintain social functioning and teach clients various coping skills that will enable them to successfully handle their daily activities.
